- This competition especially looks for the skill of photography.
- Images may be enhanced and modified, but if the stewards and/or judges consider an image to be unrealistically altered, the image may be placed in Creative, or disqualified.
- Every image, and component of an image, submitted must be wholly the work of the entrant.

COLOUR

Any subject image that is not monochrome.

MONOCHROME

Any subject image containing shades of only one colour. If toning is carried out, it must be over the total photograph. Partial toning and/or the addition of one extra colour is not acceptable in this Class.

CREATIVE

“Creative” includes photographs that display a novel effect because of an unusual combination of objects, shapes and/or viewpoint having been modified during or after exposure. Creative includes completely abstract, altered reality and imagination gone riot. All elements must be original and be the entrant’s work.

NATURE

This includes any image of **flora** or **fauna** (including hybrids) in their natural habitat, or **natural phenomena** such as geologic formations or weather. Images should not show the “**hand of man**”, e.g. a vine on a frame or a bird on a fence or roof is "natural" and therefore allowable. Nature includes natural weather phenomena, sunrise, sunset, storms and such like.

Pictorial elements cannot be changed, added or removed, including powerlines and poles, except by cropping. Imported skies and the like are **not** permitted. **Enhancement** of images (like dodging/burning, colour adjustment, HDR, focus stacking and the like) is permitted **but must appear natural**. Dust spots, digital noise and film scratches may be removed. Grayscale and monochrome conversions are allowed.

PEOPLE

Any image involving one or more persons at work, play or at rest. Portraits of a person or persons are included.

TRAVEL

A photograph that captures the feeling of a time and place, and portrays a land, a people or a culture in its natural state. Ultra-close ups which lose their identity, studio type model pictures or obviously manipulated work do not qualify as Travel and should not be submitted. Travel has no geographical limitations and is not limited to other lands or countries and may include pictures of domestic origin.

MOBILE

All photos entered in Mobile Class must be taken on a mobile device (phone or tablet) and any post processing must only be done on the device used to take the photo. Post processing must not be done on a computer. A computer may be used to transfer and submit the image. Mobile Class is an open subject class.

YOUTH

Youth class is an age restricted class for entrants 17 and under (as at 27th March 2025) only. There is no restriction regarding subject or manipulation or modification of images but all elements must be original and the entrants work.
