Inspired by a traditional Fijian village, the InterContinental Fiji Golf Resort & Spa is nestled among 35 acres of coconut palms and tropical gardens. It is the sole destination resort on Natadola Beach - the only stretch of natural white sand beach on the main island of Fiji Viti Levu.

Protected by a reef to create an aqua blue ocean facing lagoon, Natadola Beach was voted by Forbes Magazine in 2008 as one of the 25 best beaches in the world.

Captivating design, world class dining and authentic Fijian hospitality and experiences combine to create one of the most magnificent luxury retreats in the South Pacific. With no less than five restaurants and bars, a luxury spa, four swimming pools, including an adult only infinity pool and family activity pool, an 18 hole championship golf course and kids club, the InterContinental Fiji Golf Resort and Spa is an idyllic location for discerning travellers seeking more than just a beachside getaway.
